

Submissions Guidelines for the Earth Pathways Diary

- All writing and poetry is to be sent on a disc as a Word document.
- Artwork is to be sent as a Jpeg on a disc. The file size needs to be 1MB or over, otherwise we cannot use it in the diary. We understand that it is sometimes daunting to scan, upload, resize etc. We are aiming to put some more detailed help on the website.
- Photos to be sent on a disc as a Jpeg – again files need to be 1MB or over
- You are welcome to submit up to 5 pieces of work
- **No work will be accepted without a Submission form or an email address**
- We need to have correct and clear contact details for you – please write your email clearly!
- Every piece needs to be titled – both on the Submission form and on the disc
- We need a hard copy of each piece – that is, a small 2x2 inch copy of artwork and a copy of writing/poetry
- Please do not send your Submission by recorded delivery, or needing a signature (I have to drive 5 miles to collect it!)
- We would prefer images without writing on them, eg: a photo with poetry written on
- We would prefer images that were not computer generated
- Please bear in mind the size of a diary page – no long pieces of writing or poetry. Writing needs to be approx. 250-300 words.
- We often have a shortage of Landscape images – these are easier to place!
- We love poetry – but always have much more than we have space for – perhaps try writing an article?
- Don't forget to include your 40 word profile!!

We absolutely love all the wonderful things you send us! Without your generosity there would not be an Earth Pathways diary! Please feel free to email me with any other questions you may have – I will try my very best to help you!!
